3. Installing Drop Zone in Windows

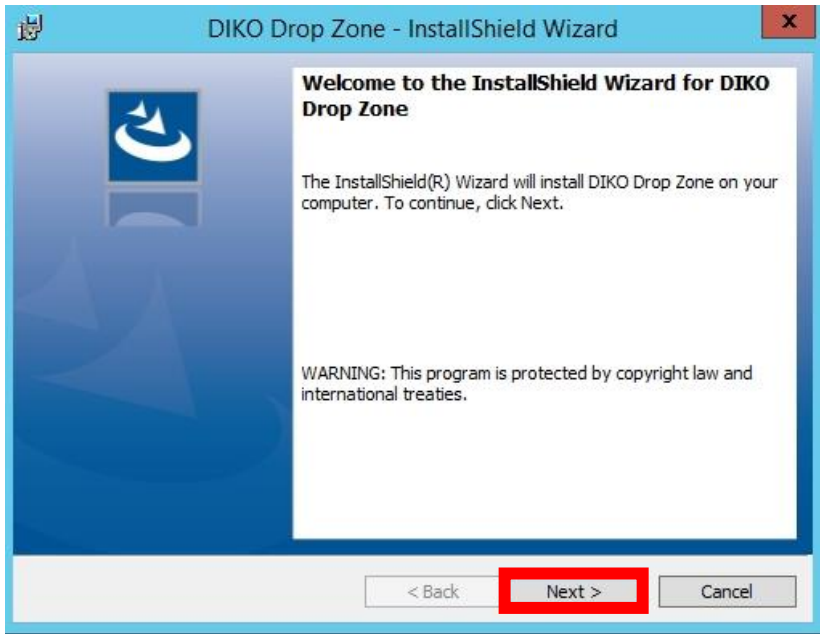

Steps	Instructions
3.1	Double click "DIKO Drop Zone Setup" begin installation

The screenshot shows a Windows File Explorer window titled 'Application Tools 1.0.0.7'. The address bar shows the path 'Temp > 1.0.0.7'. The left sidebar shows 'Favorites' and 'This PC' sections. The main pane displays a list of files and folders. The file 'DIKO DropZone Setup' is highlighted with a red rectangle. The file details are as follows:

Name	Date modified	Type	Size
blueprint	10/15/2018 1:27 PM	Text Document	1 KB
DIKO DropZone Setup	9/28/2018 2:21 AM	Application	2,310 KB

Steps	Instructions
3.2	Click "Next >"

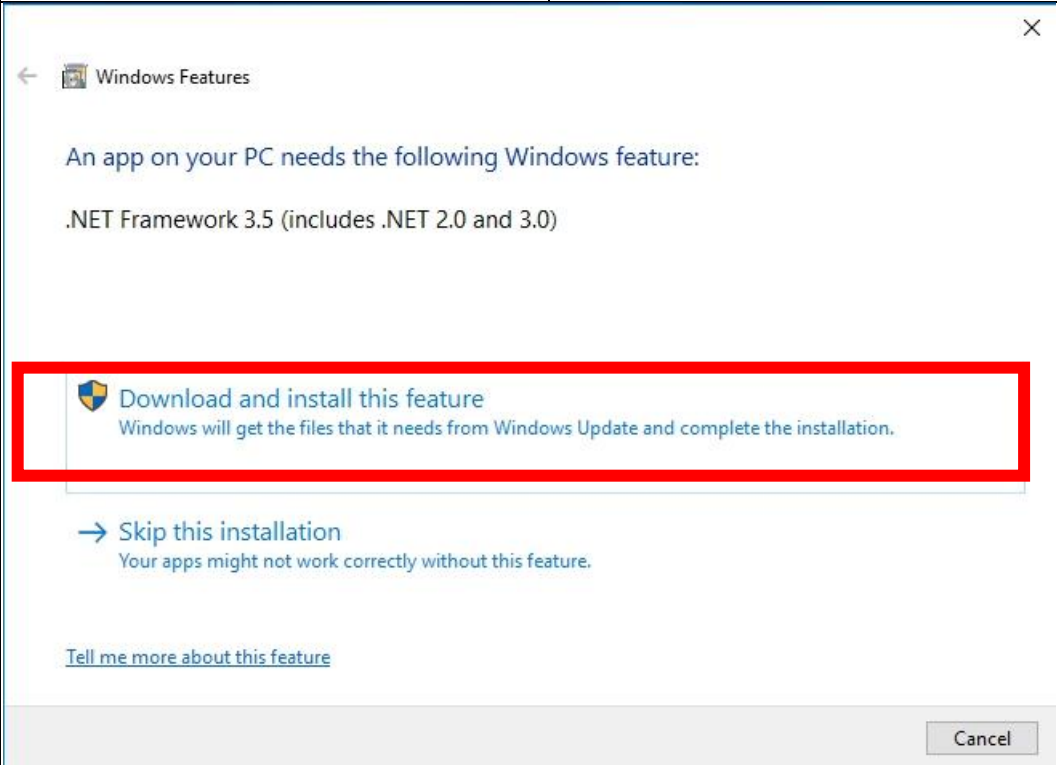

The screenshot shows the 'DIKO Drop Zone - InstallShield Wizard' window. The title bar reads 'DIKO Drop Zone - InstallShield Wizard'. The main text area says: 'Welcome to the InstallShield Wizard for DIKO Drop Zone. The InstallShield(R) Wizard will install DIKO Drop Zone on your computer. To continue, click Next.' Below this, there is a warning: 'WARNING: This program is protected by copyright law and international treaties.' At the bottom, there are three buttons: '< Back', 'Next >', and 'Cancel'. The 'Next >' button is highlighted with a red rectangle.

Steps	Instructions
3.3	Click “Next >”

Steps	Instructions
3.4	Click “Install”

Steps	Instructions
3.5 (If the below image shows up, select Download and install)	Click “Download and install this feature”

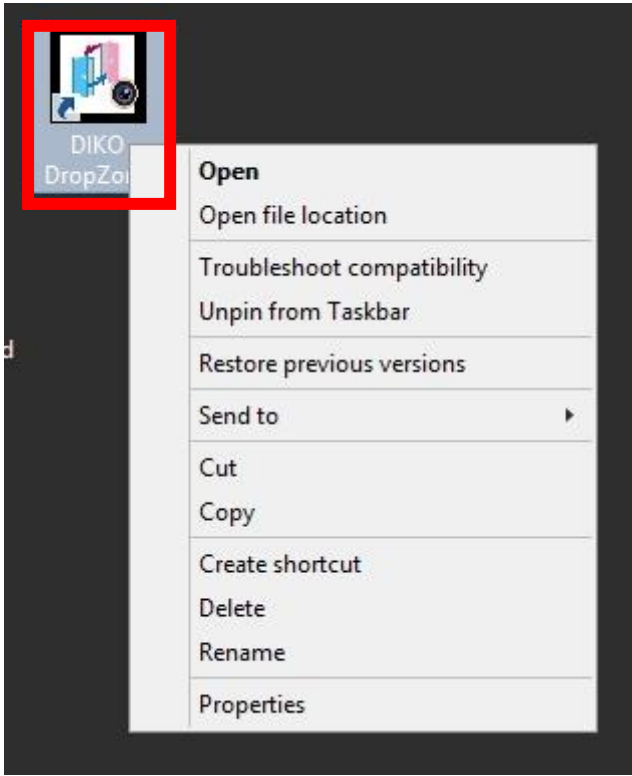

The screenshot shows the 'Windows Features' window. It states: 'An app on your PC needs the following Windows feature: .NET Framework 3.5 (includes .NET 2.0 and 3.0)'. Below this, there are two options: 'Download and install this feature' (which is highlighted with a red rectangle) and 'Skip this installation'. The 'Download and install this feature' option includes the text: 'Windows will get the files that it needs from Windows Update and complete the installation.' At the bottom right, there is a 'Cancel' button.

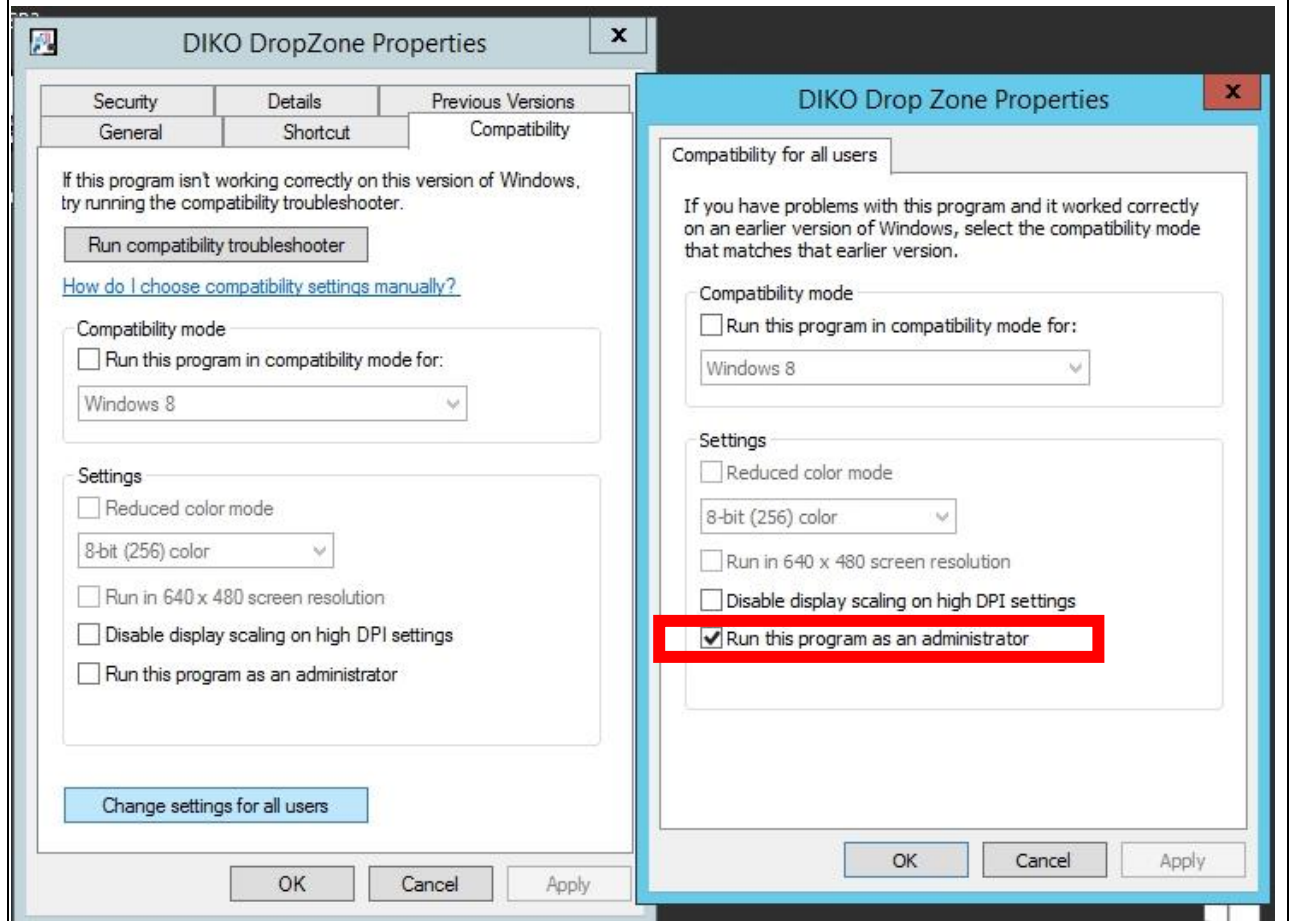

Steps	Instructions
3.6	Click “Finish”

The screenshot shows the 'DIKO Drop Zone - InstallShield Wizard' window. The title bar says 'DIKO Drop Zone - InstallShield Wizard'. The main content area says 'InstallShield Wizard Completed' and 'The InstallShield Wizard has successfully installed DIKO Drop Zone. Click Finish to exit the wizard.' At the bottom, there are three buttons: '< Back', 'Finish' (which is highlighted with a red rectangle), and 'Cancel'.

Steps	Instructions
3.7	Right click “DIKO DropZone”
	

Steps	Instructions
3.8	Select “Properties” of the program, and then the “Compatibility” tab. Click “Change settings for all users” at the bottom. Check “Run this program as an administrator” . Click “OK” to make the change active.

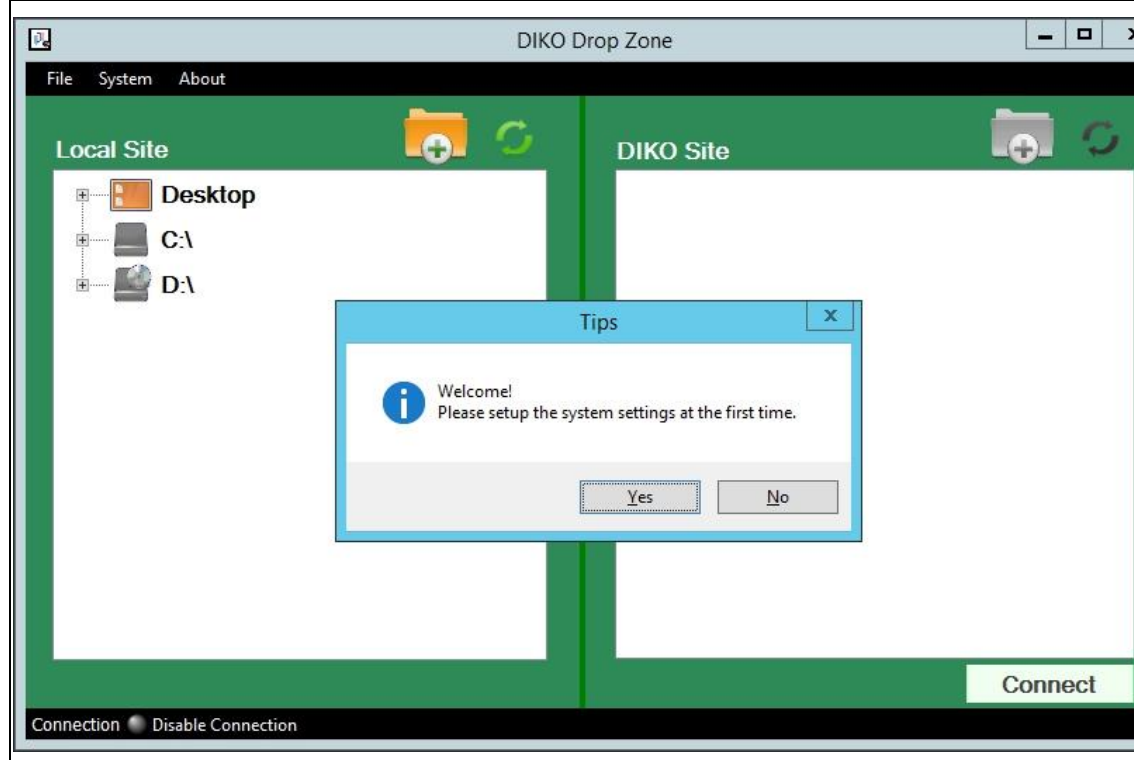

Steps	Instructions
3.9	Select “Blueprint” path then click “Generate H/W Blueprint”

Steps	Instructions
3.10	Give “blueprint.txt” to the vendor

Steps	Instructions
3.11	Paste the key code from vendor into Activation Key and hit “Activate”

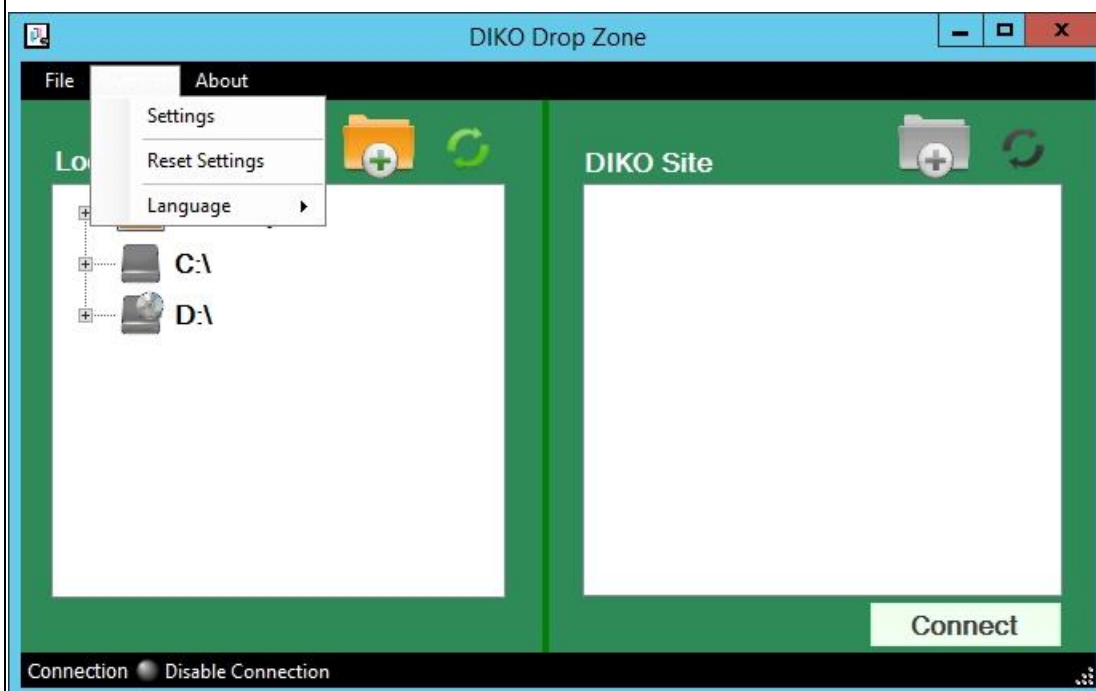

Steps	Instructions
3.12	After successfully entered DIKO Drop Zone, the system welcomes you and asks if you would like to setup the system before using. Click “Yes” to accept, or click “No” to skip and change the language setting first.

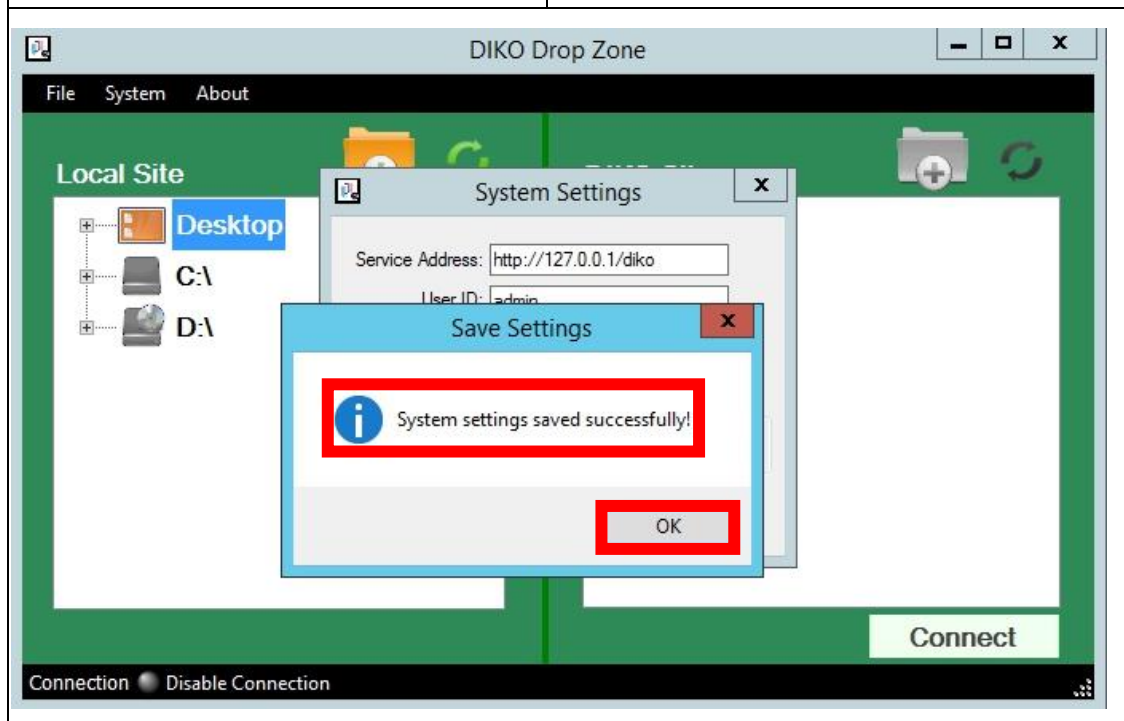

Steps	Instructions
3.13	From the menu, select “ Settings ”, “ Language ” and choose the preferred language settings. Options are: “English”, “繁體中文” (Traditional Chinese) and “简体中文” (Simplified Chinese).

4. DIKO Drop Zone System Settings
